# ABOUT US

Circle of Friends (COF) is the brainchild of a group of Washingtonians who had the vision to bring together an extended network of friends and contemporaries for an annual celebration of fellowship and networking. Over its fifteen-year history, COF has become the premier social network of African American professionals in the District of Columbia. Its reach includes an expansive network of 1,000+ professionals from every industry who come together to network, give back and celebrate! As COF commences its 15th Annual, partnerships with businesses and sponsors are being sought to increase COF's philanthropic impact and expand upon COF's influence in the community.
